Travel with us... join the escorted tour with Marathon Tours

Join a group of like-minded Kiwis for a once-in-a-lifetime running experience combined with an unforgettable holiday. The Marathon Tours specialists have escorted Kiwi groups for the last six events. Because we have not only travelled with the group, but also participated in the events ourselves, we can provide a huge amount of first hand advice and share our personal experiences.

Whilst the organisers provide a number of itineraries, our travellers tell us that the Jixian/ Beijing itinerary is the best combination for New Zealanders, which is why we have personally selected it for our 'Travel with us' package. This exceptionally special and uniquely designed itinerary allows you to travel to China as a group with other Kiwis and Marathon Tours staff, whilst still having the opportunity to tailor your package at the completion of the event and see more of China, Asia or further abroad. With a range of amazing pre and post marathon tours provided by our China partner Acrossia, talk to us about how to complete your visit.

Jixian and Beijing your way

Whilst Marathon Tours will be taking an escorted tour group of Kiwi travellers, if you would prefer to travel on your own there are alternative itineraries in a range of accommodation levels. Bear in mind that Chinese accommodation ratings differ to those of New Zealand and there is quite a contrast between 3 and 4 star facilities, hence why we always recommend the 4 star option. It's so easy to get to China with so many airlines on offer; the hard part is choosing which one. Speak to the Marathon Tours team about the flight that is best for you.

The 'Jixian and Beijing your way' allows you to travel on the same itinerary and stay at the same hotels, except you will return to Beijing following the race. You will still have a dedicated Chinese guide throughout the main package dates and will meet fellow marathoners from all over the world.

The 'Jixian and Beijing your way' package doesn't include the additional private tours, however, you can choose to add any of the optional tours as provided by the Great Wall Marathon organisers.

The organisers also provide a package to stay the entire time in Beijing. Whilst Marathon Tours recommends the Jixian package from previous experience, the Beijing package might be a suitable option if you would like more time to experience everything Beijing has to offer.

Please speak to Marathon Tours about this option and they can put together a package for you.

Take note... important information you need to know about

How to protect yourself against the unknown

It is compulsory that each person has travel insurance before travelling for the Great Wall Marathon. Although it isn't compulsory that it's purchased via Allianz Global Assistance (our preferred provider), we do highly recommend it, as unlike other companies, they provide cover for the actual marathon event.

We recommend you take out insurance as soon as you book, as it will ensure you are covered in case you injure yourself prior to the event and can no longer travel.

We're constantly reminded about just how important it is to have the very best travel insurance cover, and being in New York during Hurricane Sandy certainly highlighted this once again. We know that our customers who purchased their travel insurance via AGA were hugely relieved they'd done this, whilst others were left wishing they had. Allianz Global Assistance (AGA) is the preferred travel insurance provider, both of Marathon Tours, and also House of Travel nationwide, and they're a world leader in assistance services and travel insurance.

They also include:

- Unlimited medical cover
- AGA – helping someone, somewhere in the world, every two seconds!
- Terrorism cover for emergency medical assistance and hospital expenses
- Consultant backup and support – our booking system allows us to travel our customers around the world
- 24-hour emergency assistance number, based in New Zealand
- As Marathon Tours staff are covered by AGA when we travel, in the event of something unforeseen happening if you've chosen to purchase your travel insurance via AGA, it means we can assist you immediately without hesitation and delay.

We will tailor-make your travel insurance so that you're covered for the entire time you're away from New Zealand.

Prices start from NZD\$110 per person for 8 days cover* subject to pre-existing medical conditions and age.

What do you need to travel to China?

You will need a current New Zealand Passport to travel overseas, with a validity of six months or more after the due date upon which you are scheduled to arrive back in New Zealand. All New Zealand Passport holders must apply for a China Visa to enter China. It is your responsibility to secure your visa well before your date of travel. A re-entry visa will be

required by travellers leaving New Zealand holding a foreign passport. It is your responsibility to ensure you have the correct documentation in place to allow your return to New Zealand. If you would like Marathon Tours' assistance in applying for your visa to enter China, please contact us and we will be pleased to assist in confidence.
