- It is the individuals personal responsibility to be aware of and comply with each countries own COVID policies and restrictions. Failure to comply may result in being denied entry to a country and any and all costs associated with this consequence is the responsibility of the individual. Marathon Tours accepts no liability for any losses or costs incurred due to a person failing to make themselves aware of the requirements to travel.
- Given that the 2022 Boston Marathon is scheduled to be raced in April 2022, to secure your entry and package we require:
  - A \$100 deposit to reserve an entry and package. This is refundable up until the time we request full payment.
  - At the time of printing, the NZ Government has indicated that NZ travellers returning to NZ from overseas will be able to self-isolate at home for 7 days. This may change. If borders close or the NZ Government replaces the home isolation with an enforced MIQ situation, we will refund your \$100 deposit without penalty.
  - Full and final payment is due by the 31st January 2022. At which point the total amount becomes non-refundable with the following exception:
    - The Boston Marathon is cancelled or postponed due to COVID – at which point we will fully refund the amount paid. If a person cancels their travel for personal reasons, it remains non-refundable.
