

GREAT WALL MARATHON

18 MAY
2024

Run the most demanding marathon of your life along one of mankind's greatest monuments.

The route takes you along the spectacular Great Wall in the venue of Huangyaguan, threading through local villages as you are cheered on by its residents giving you the boost needed for its hilly routes and challenging last steps of the tower (5,164 to be exact!). If you would like to experience the Great Wall without completing a full marathon, there are options for every age and stage in life, including a 8.5km fun run, and half marathon.

But this run is not only about the race. It is about the adventure of traveling together with other running-minded spirits, friends and family. Its about experiencing Chinese culture, getting to know this fantastic country, its people and local cuisine.
