

RUN LONDON

TCS LONDON MARATHON | 27 APRIL 2025

The TCS London Marathon is one of the most colourful and fun marathons in the world!

With huge crowds lining the streets, historic sites along the way and record numbers of runners wearing costumes, the buzz is incredible. If you have ever wanted to run a marathon – run London!

After being transported to the starting area by our private coach, you will begin the run at Blackheath; with runners heading into central London past historic attractions such as the Cutty Sark, Tower Bridge, the River Thames, before turning at Big Ben and then past Buckingham Palace, to the finish line on The Mall, where you will be presented with your famous finishers medal.

Marathon Tours NZ as an accredited international travel partner, offers packages that include a guaranteed race entry, meaning you do not have to run a qualifying time or enter the ballot, along with wonderful accommodation in a 4-star hotel, located just a few hundred metres away from the finish line. We will take care of your travel requirements, so you can focus on your training and building your excitement ahead of the marathon.

Travel with Marathon Tours and you will be travelling with New Zealand's most experienced marathon tours company. You will have the opportunity to meet likeminded Kiwis on the tour, but still have the flexibility to do your own thing around London.

We provide exceptional service by knowledgeable staff, who have run the marathon themselves and personally accompany the tour to London.

Join Marathon Tours for an amazing experience, at one of the worlds best, brightest and biggest marathons – London 2025!
