

# RUN LONDON

**TCS LONDON MARATHON | 26 APRIL 2026**

**Marathon Tours NZ, as an accredited international travel partner of the TCS London Marathon, offers packages that include a guaranteed race entry, meaning you do not have to run a qualifying time or enter the ballot, which saw over 1.1 million applicants for the 2026 event.**

With huge crowds lining the streets, historic sites along the way, and record numbers of runners wearing costumes, the buzz is incredible. If you've ever wanted to run a marathon, run London!

After being transported to the starting area by our private coach, you'll begin the run at Blackheath, with runners heading into central London past historic attractions such as the Cutty Sark, Tower Bridge, and then along the River Thames towards Big Ben, where the crowds are at their largest. You then run past Buckingham Palace to the finish line on The Mall, where you'll be presented with your famous finisher's medal.

We have selected the 4-star Club Quarters Trafalgar Square Hotel for its superb location, just a few hundred metres away from the finish line. This means you will be back in your hotel room, showered, and with your feet up, while others have to use public transport or walk kilometres back to their hotels.

We take care of your travel requirements so you can focus on your training and build your excitement ahead of the marathon.

Travel with Marathon Tours NZ and you'll be travelling with New Zealand's most experienced marathon tours company. You will have the opportunity to meet like-minded Kiwis on the tour, but still have the flexibility to do your own thing around London.

We provide exceptional service from knowledgeable staff who have run the marathon themselves and personally accompany the tour to London.
